YOUR CHILD'S HEALTH AND SCHOOL ATTENDANCE:

If your child is experiencing any COVID symptoms (new or non-typical for your child), keep them home. If they have COVID, they must not come to school until their quarantine/isolation period ends.

Please take note that the Perfect Attendance Award is being canceled for this school year. We don't want sick students coming into school in order to keep their perfect attendance. Thank you!

If your child is sick with something other than COVID (cold, flu, etc.), please keep them home until they feel better.

If your child has a fever of 100.4 or greater, keep them home until the fever has subsided for 24 hours without fever-reducing medication.

If your child lives with (or is a close contact to someone) with a positive case of COVID, please keep them home.

If your child must quarantine or isolate due to COVID and we are not aware of it, please inform the office asap.

If they are sent to school, it is understood that they have passed screening. Thank you for your cooperation!

SCHOOL DIRECTORY

We are in the process of compiling the new school directory. If you have not already done so, please inform the office of any changes so we can make the necessary updates before it is printed.

Our first Pizza Friday this year will be on **September 25**. (This will be the only one in September.) Be on the lookout today for a paper in your child's folder/backpack describing to the new families what exactly Pizza Friday is, and letting you all know some of the small changes that will be made this year, due to the restrictions. And as always, let us know if you have any questions about this fundraiser! Thanks!
